California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

KIPP Comienza aims to strengthen our students' self-identify and build a collective spirit by which children feel personally responsible for their own success and work to support the success of others in their classroom, school, and community. As a school, we will provide the knowledge, skills, and experiences all students need to be successful through college and stay committed to positively impacting their community.

At KIPP Comienza we teach phonics, guided reading, and math in small-differentiated groups. In this manner, all students are receiving the content at their level to ensure standards are mastered and internalized. In math and phonics, we implement a blended-learning approach; while students are reviewing material in iPads and Chromebooks, teachers are teaching in a small group.

Relationships are also extremely important at KIPP Comienza, as we believe that great schools and strong relationships transform communities. Parents play an important role in our rising leader's education. We have an open door policy, which has led to the strong belief that the combined efforts of staff and parents are the key to ensure continuous academic progress and character development. When staff, parents, and the community work together, students are successful.

School Description and Mission Statement - Most Recent Year

KIPP Comienza Community Prep is a tuition-free public charter elementary school that opened in the summer of 2010 in southeast Los Angeles. As of August 2015, KIPP Comienza is serving 554 students in K-4th grade.

Comienza is the Spanish action verb: begin. But the significance of comienza is lost when simply translated into "begin." Comienza evokes a sense of immediate action, an action that may ignite a new beginning towards voice; towards strength; towards change.

KIPP Comienza Community Prep is built on the belief that great schools and strong relationships transform communities. Through rigorous standards-based instruction, character development, and learning experiences beyond school walls, our elementary students will become active leaders who take pride in their community and have access to choice and opportunity in order to ignite transformative change. KIPP Comienza Community Prep teaches the academic skills, cultivates the character traits, provides the learning experiences, and forges the community relationships needed for our elementary students to thrive in middle school, high school, college, and life.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	81.0%	33.0%	44.0%
Mathematics (grades 3-8 and 11)	82.0%	25.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

School Safety Plan - Most Recent Year

KIPP Comienza Community Prep has created a comprehensive safety plan that ensures the safety of all students and staff. Furthermore, KIPP Comienza Community Prep has its own procedures that are routinely practiced for emergency situations such as earthquakes, fires, and other events.

On October 15 KIPP LA participated in the Great California Shake Out. We also have other emergency preparedness drills monthly that will implement components of KIPP Comienza's safety plan.

For more information, please contact the school directly.

Professional Development – Most Recent Three Years

KIPP Comienza Community Prep offers many professional development opportunities to teachers and staff, including weekly 2-hour workshops on varying topics. KIPP Comienza Community Prep encourages its teachers to take part in various professional development programs within and outside the national KIPP Network to develop its teachers as leaders. Professional development workshops led by KIPP Comienza's former school leader, Margarita Florez, have produced leaders who have gone on to open their own schools as recently as this past summer 2015 and preparing for other teachers to open their own schools in the future. KIPP Comienza's school leader and administration continues to promote these opportunities to its staff.
