

KIPP Pueblo Unido

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	KIPP Pueblo Unido

Phone Number	(213) 241-1000
Superintendent	Albert M. Carvalho
Email Address	albert.carvalho@lausd.net
District Website Address	www.lausd.net

2022-23 School Overview

At KIPP Pueblo Unido, our purpose is to provide high quality academic and character education to traditionally underserved communities, and offer families choice for their children's education. KIPP Pueblo Unido currently serves TK-3rd grades and 6th-8th grade in Southeast LA. We will be a TK-4th grade school in the 23-24 school year.

Our name is derived from the United Farm Workers' slogan "el pueblo unido jamas sera vencido" or "the people united will never be defeated" because we believe the collective power of our students, families, and team will ensure our students thrive to and through college. At KIPP, every individual is committed to doing what is best for our students and families. It's not always easy, but we're all here to accomplish one mission. It is powerful to work alongside adults who engage in our work on a deeply personal level.

Our school character values of love, optimism, ganas and curiosity ensure we are instilling the whole-child approach to teaching and learning. We show love by using kind words and actions. We are optimistic by believing in a better tomorrow. We "echale ganas" by always doing our best. We show curiosity by learning from our teachers, family and friends. Our schools rules of Be Safe, Be Responsible, and Be Respectful promote a joyful and safe environment for every student.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers		
Misassignments		
Vacant Positions		
Total Teachers Without Credentials and Misassignments		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver		
Local Assignment Options		
Total Out-of-Field Teachers		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

KIPP Pueblo Unido uses standards-based, research-back curriculum for all core subjects. All students and classrooms are provided with their own sets to ensure there are enough materials for complete implementation.

Year and month in which the data were collected January 2023

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most	Percent Students
---------	--	-----------	------------------

		Recent Adoption ?	Lacking Own Assigned Copy
Reading/Language Arts	Adopted: 2019, Heinemann Fountas & Pinnell Literacy Classroom, TK-3GR Reading Reconsidered 6-8GR	Yes	0
Mathematics	Adopted: 2019, Bridges Mathematics TK-3GR, Ready Math 6-8GR	Yes	0
Science	Adopted: 2019, Amplify Science TK-3rd & 6th-8th	Yes	0

Foreign Language	Adopted 2018, Sonrisas Spanish Level 1 TK-3GR	Yes	0
Health	n/a		
Visual and Performing Arts	Teacher created curriculum		0
Science Laboratory Equipment (grades 9-12)	n/a		

School Facility Conditions and Planned Improvements

The KIPP Pueblo Unido campuses are continuously inspected for safety and cleanliness. We believe upkeep of our physical environment is instrumental to promote an environment conducive to joyful learning. Pueblo has three different school sites/locations. The first site is located in Maywood serving Tk-1st grade students where we share a space with our landlord the Maywood Church and another school on campus. We operate independently, and have founded a joyful, safe, and beautiful school for our students, family and staff. The second site is in a Prop39 facility in the city of Huntington Park serving our 2nd-3rd grade students. The third site is serving 6th-8th grade in the city of Vernon. This school facility is shared with another public school and includes our own private entrance, classrooms and recreational space. The facility is in good condition and includes classroom furniture in excellent condition. For all facilities:

- Main office area creates a warm and welcoming environment for staff, students & families. Entering the building presents a very attractive, inviting appearance that draws one in and makes you feel that you are in a well maintained facility
- The building interior is well-maintained with all common areas cleaned daily, and appears healthy in a way that complements the appearance of the campus
- Common areas are clean and organized. Air quality is odor-free.
- Hallways/walkways are clean and trash free with signage prominently displayed and laminated
- Restrooms are deep-cleaned. Air quality is odor-free.
- Classrooms are clean and organized in a manner that inspire staff and students to take pride in campus grounds

Improvements to Promote Health & Safety:

- Upgrade to MERV13 air filters (TK-1st)
- Installation of touch-less hand sanitizer dispensers (Lower School TK-1st)

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students

Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male

2021-22 Career Technical Education Programs

--

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	N/A	N/A	N/A	N/A	N/A
Grade 7	38%	0%	0%	0%	58%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Typical School Year:
KIPP Pueblo Unido welcomes parent involvement in school events and daily activities. Involvement can range from becoming a

2022-23 Opportunities for Parental Involvement

classroom facilitator, to daily volunteer options during our recess/lunch block or at the office. They may also include one-time activities such as helping with our Fall school-wide events, Winter Concert, and Spirit Week celebrations. Each classroom has a room parent who takes the lead in events and facilitates parent involvement for each classroom. These classroom facilitators are extremely involved and attend meetings once a month. We also host a monthly "Cafecito with Leadership" meetings that all of our parents may attend where we discuss upcoming events, solicit feedback, and brainstorm how to make our school better together. At these meetings parents are able to sign-up to volunteer. If parents are unable to attend a meeting, our weekly family bulletin is also a great way to find out about upcoming events/activities and volunteer opportunities or other engagement opportunities. Sign-ups for volunteer opportunities are announced via our digital Parent Communication software (ParentSquare). To ensure the safety and security of all our students, family, and staff, our parent volunteers must complete a Volunteer Application. Applications are reviewed and maintained on file before parents volunteer. The application includes volunteer commitment to our school values, a privacy agreement, and permission to conduct a search on the Megan's Law database. In some cases, it may also include TB testing and background checks. Our families are what makes Pueblo Unido strong. We welcome family feedback always by contacting our school administration or office staff in any way which is comfortable for them. "El Pueblo Unido Jamas Sera Vencido."

During the Pandemic:

Virtual parent involvement continues to be a priority. We currently only allow in-person visitors for essential needs to keep our community safe. Parents are able to meet virtually for: "Cafecito with Leadership", School Site Council, English Learners Advisory Committee and for our school assemblies and events hosted on Zoom. Other virtual events this year include virtual Meet & Greets with our staff, family-teacher conferences and celebratory events such as: cooking workshops, read alongs, and movie nights. Our families enjoy these engagement opportunities, and we are excited to bring Pueblo to family homes virtually. We continue to use the same communication platforms to ensure families remain informed and involved. ParentSquare allows families to easily message any of our staff, and also allows them to receive whole-school posts via email, text, and through the app. Families know what is happening at Pueblo. Additional information available on the app are: the school calendar, upcoming events, days off, and previous posts from the school or the KIPP region.

For more information related to these and other parental involvement opportunities, please contact our Family Engagement Leads:

- TK-3rd Grades: Daisy Lovera, dlovera@kippsocal.org
- 6th-8th Grades: Kiara Gordon, kigordon@kippsocal.org

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

Students with Disabilities		

2022-23 School Safety Plan

KIPP Pueblo Unido reviews and updates its safety plan every year. There are multiple safety plans for KIPP Pueblo Unido, given that they are in three different facilities. This year's plan was reviewed and updated on November 2022. The safety plan outlines what we do for every emergency situation and details the roles of each staff member. Some items included in the plan are: what to do during an emergency such as an earthquake, fire, lockdown, or shelter in place. It also includes emergency numbers to call if needed, and a staff directory. Our staff is trained at the beginning of the school year on their roles/responsibilities during an emergency. They are versed on our evacuation routes and sites. Our entire school participates in emergency preparedness drills at least once per month. The drills prepare our staff, students, and in some cases our families on our optimal strategy in case of a real emergency.

KIPP also takes part in the CA Great Shake drill where we initiate our incident command center. During this drill we complete search and rescue, enable a first aid station, and practice reunification by allowing parents to "pick up their students" as if it were a true emergency. This always serves as a great way for staff members to fully know their roles and ask questions if needed. At KIPP Pueblo Unido, the safety of every student is always our top priority.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$15,517	\$3,074	\$12,443	\$63,002
District	N/A	N/A	\$8,796	
Percent Difference - School Site and District	N/A	N/A	34.3	-21.1
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A	87.7	-30.6

2021-22 Types of Services Funded

At KIPP Pueblo Unido, students will explore Spanish, Physical Education, Art, and Music. Through the inclusion of these subjects in a regular school day, students build the foundational knowledge of each content area and identify specific areas that spark their individual passions. Special subjects allow creativity and curiosity to develop in a variety of ways, innately embracing the learning styles of each student. Through these subjects, students experience teamwork, problem-solving, and risk-taking in new and unique environments.

We believe educating the whole child will teach our students the knowledge and skills needed to excel in a competitive world. Through collaboration, cross-curricular connections, and passion for our content areas, we provide a holistic avenue to inspire new passions in our students. Each member brings their own knowledge and expertise to our team, which combine to create a perfect whole.

Our lower school offers a specialty class for qualified Special Education students called Unidos We Strive. Students receive personalized support, enhanced learning supplies, and private spaces to promote their learning goals.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered Where there are student course enrollments of at least one student.	

Professional Development

Professional development begins with an intensive KIPP Pueblo Unido Summer On-Boarding for all staff. At the end of Summer On-Boarding, staff have a clear understanding of the 'why' behind our KIPP Pueblo Unido vision, mission, and core values. By conducting community walks and individualized meetings with students and families, our teachers have a stronger understanding and appreciation of the richness of our school community. Professional development throughout the year continues to reinforce and build upon the momentum from On-Boarding.

Logistically, Professional Development will occur on a weekly basis on Monday afternoons from 1:15–4:00pm. Staff Professional Development Plan for the year will fall under two umbrellas 1) Collaborative planning time and 2) Content sessions. We spend 50% of weekly Professional Development focusing on collaborative planning time for content and grade level teams. The other 50% of the time we focus on content sessions around curriculum design, small group instruction, data driven instruction and Positive Behavioral Interventions and Supports. In addition to school-based professional development, Pueblo Unido also partners with other outside organizations to provide professional development. Depending on the needs of the team, this means sending some teachers to other school sites for visits and Positive Discipline in the Classroom training.

As a KIPP region, our school teams have participated in workshops and training sessions, throughout the school year, to enhance our awareness on becoming an anti-racist organization, and to identify ways to promote the view that the purpose of education is for liberation.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	46	54	54
