### Introduction:

**LEA:** KIPP Ignite Academy    **Contact (Name, Title, Email, Phone Number):** Cassandra Cope, School Leader, ccope@kippla.org, (323) 486-6402    **LCAP Year:** 2015-2018

### Local Control and Accountability Plan and Annual Update Template

*The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.*

*For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.*

*Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.*

*The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.*

*For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.*

## Section 1: Stakeholder Engagement

*Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.*

**Instructions:** Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Involvement Process	Impact on LCAP
<p>KIPP Ignite will form a Family Council to involve parents as leaders in support of the school vision and mission. The Family Council is organized for the purpose(s) of:</p> <ul style="list-style-type: none"> <li>• Communications: To facilitate communication and be a liaison between students' families and other school constituencies on matters which are of interest to the Family Council;</li> <li>• Development: To initiate and raise funds for special projects, events, and assets to enhance the quality of education, school experience, and extra curricular activities for KIPP Ignite's students;</li> <li>• Investment: To support and act as an agent to invest all families in KIPP Ignite's vision, mission, and values for the benefit of all students; and</li> <li>• Involvement: To encourage and coordinate volunteerism among parents and guardians in support of KIPP Ignite's student achievement, events and activities.</li> </ul>	<p>The Family Council will meet once a month and it will serve as a space for parents to be active in our school community. The School Leader or Dean will hold monthly check-ins with the FLC Executive Officers to plan family events, fundraisers, and family involvement.</p> <p>Families will have the opportunity through our family council meetings to vote on allocation of funds they raise. This will also be an opportunity to seek input of families in regards to what resources they would like to see at KIPP Ignite.</p> <p>We create a welcoming and open environment where our families voice is important and heard. This environment be on going and will continue throughout our LCAP annual review meetings.</p>

<p>Family Council meetings will be once a month.</p> <p>Each month there is a family night that is centered in the learning of our students. Parent workshops will have a K-4 scope and sequence to ensure that families are able to build on their prior knowledge and continue to receive information and resources to plan for their child's future. We know that the climb to college is going to be a lot of hard work and that our students will need the support from their family to get to and through. Our family nights are centered in informing our families and empowering them to be active participants in our school community and celebrate their children's growth over the year(s).</p> <p>Each year, each student will receive a home-visit from a member of our staff. At their home we will ask our students and their families to share with us their hopes and dreams for their child, as well as their hopes and dream for KIPP Ignite Academy. These conversations inform our instructional choices and help us start the year off with a strong relationship.</p>	<p>We will collaborate with our families via our family council meetings to get parent input on how to make our monthly family meetings effective and informational. Our main focus will to create a K-4 family curriculum where year after year we will build on their knowledge around college (applications, financial aid, etc).</p> <p>Over the years there will opportunities for our founding parents to partake in co-leading these sessions with members of our staff to serve as mentors for our incoming families.</p> <p>We will collaborate with our families via our family council meetings to get parent input on how to make our monthly family meetings effective and informational. Our main focus will to create a K-4 family curriculum where year after year we will build on their knowledge around college (applications, financial aid, etc).</p> <p>The conversations with parents help us frame our goals in the LCAP. The school and parents have high expectations that our students will learn and our goals/expenditures in LCAP will reflect that.</p>

**Section 3: Use of Supplemental and Concentration Grant funds and Proportionality**

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$148,201
Used for Intervention and Apprentice Teachers pay to implement blended learning model that ensures daily intervention and acceleration available; PD and on-going coaching for teachers using KFET and common core training; tutoring after school during study hall; Saturday school. In KIPP's schoolwide model, Certified Regular Teachers receive additional pay for extended school hours to increase instruction in EL , Math and other subjects to close schoolwide achievement gap.	

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.
