

School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Ignite means to energize, mobilize, catalyze, and light up. It is a powerful verb that captures the energy needed to spark transformative change in our students' lives and our community. It also illustrates how the potential of each student can be sparked when they are in a supportive and rigorous environment where their teachers believe in them. At KIPP Ignite Academy, our students discover their passions and find that learning is an enlightening and joyful experience through balanced literacy and STEAM-based (science, technology, engineering, arts, and mathematics) instruction. From kindergarten, teachers help ignite students' inner fire, strength, and light by providing rigorous academics, as well as character instruction, so they can safely take risks and innovate for a better tomorrow. We believe that every student has unique gifts to share, and, as educators, it is our job to spark their passions. KIPP Ignite students are creative, risk-takers who tackle academic, as well as personal challenges, with grit and zest. They believe and know that they are the designers of their futures and advocate for themselves and others. They are hopeful, curious, persistent, and respectful, as they proudly climb the mountain to and through college.

School Description and Mission Statement (School Year 2018—19)

At KIPP Ignite Academy, we believe in preparing students for the careers of tomorrow – those that do not yet exist. Tomorrow will require our students to be critical thinkers and empathetic leaders who innovate to solve local and global issues. Our goal is for our school community to embody and demonstrate our collective values of Leadership, Innovation, Ganas and Teamwork. Our students discover their passions and find that learning is an enlightening and joyful experience through balanced literacy and STEAM-based (science, technology, engineering, arts, and mathematics) instruction. From kindergarten, teachers help ignite students' inner fire, strength, and light by providing rigorous academics, as well as character instruction, so they can safely take risks and innovate for a better tomorrow. KIPP Ignite students will leave fourth grade as creative, risk-takers who tackle academic, as well as personal challenges, with grit and zest. They believe and know that they are the designers of their futures and advocate for themselves and others. They are hopeful, curious, persistent, and respectful, as they proudly climb the mountain to and through college.

School Facility Conditions and Planned Improvements

The Kipp Ignite campus on Central and 92nd holds our TK-1st grade students; our second campus is co-located with an LAUSD school. Our classrooms are cleaned on a daily basis. Our restrooms are well kept and are cleaned throughout the day. Our school have janitorial staff on campus during the school day and after hours to ensure we have time to clean our facilities. Deep cleaning is scheduled on a monthly basis to ensure that all floors are buffed and carpets are washed. We hold walkthroughs of our facilities throughout the school year to ensure our campus is clean and well maintained. When an issue do arise, there is an assistance ticket created internally with our organization immediately. All immediate and emergency repairs are granted the highest priority and are repaired and completed quickly.

Opportunities for Parental Involvement (School Year 2018—19)

At Kipp Ignite, we value our families as an integral part of our school's community. Throughout the school year we provide different opportunities to get our parents involved. Before the start of every school year, we welcome our new families with an orientation that allows families to learn about our school, our culture, our staff, and our opportunities for parent involvement. Communication is key to to our family engagement. We send home weekly newsletters to each of our families to stay informed of any upcoming events, volunteer opportunities, announcements, and highlights of our school. We plan monthly Family Nights to allow our families to gather together and enjoy our Ignite community. These nights are incentivized to encourage attendance and involves fun family oriented activities. KIPP Ignite Academy formed a Family Advisory Council (FAC) to involve parents in supporting school operations and realization of our school vision. All members of our school community may attend the FAC meetings and voting rights are determined by a person's role in our school community. Our parents are also encouraged and welcomed to volunteer on a daily basis in their child's

School Safety Plan (School Year 2018—19)

KIPP Ignite Academy's primary concern is the students, staff, and visitors' safety. Students are supervised at all times before school, during recess, lunch, and after school. All visitors are required to sign in at the office and wear a visitor's sticker at all times; visitors are also required to sign out once they have concluded their visit. To ensure the safety and welfare of our students, parents, staff, and visitors, an extensive School Site Safety Plan is developed and updated regularly. We have first aid and emergency supplies readily available for students, staff and visitors. Staff receives professional development on emergency preparedness throughout the school year to ensure the safety of our students and staff. Drills are done once a month.

Professional Development

At KIPP Ignite Academy, we are a community of continuous learners. Over the summer, our professional development schedule is set for the first half of the school year and a tentative schedule is set for the second half of the school year based on teachers' needs, feedback, and reflections. Each year, we begin the school-year with approximately 4 weeks of summer on-boarding and professional development which focuses on team and culture building, classroom management, and instructional design and execution. In addition to our summer on-boarding and professional development, teachers receive approximately 3 hours of professional development each week that is driven by our school priorities, data, and trends across the school. We have focused on guided reading, math, and classroom culture and management. Professional development is created by administrators at KIPP Ignite Academy, as well as by outside facilitators. Teachers are supported on a daily and weekly basis through classroom observations, real-time coaching, teacher-administrator meetings, and performance data meetings.
