**Introduction:**

**LEA:** Los Angeles College Preparatory    **Contact (Name, Title, Email, Phone Number):** Carlos Lanuza, School Leader, clanuza@kippla.org, (323) 264-773  
**LCAP Year:** 2015-2018

**Local Control and Accountability Plan and Annual Update Template**

*The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.*

*For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.*

*Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.*

*The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.*

*For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.*

**Section 1: Stakeholder Engagement**

*Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.*

**Instructions:** Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

**Guiding Questions:**

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies.; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

<b>Involvement Process</b>	<b>Impact on LCAP</b>
<p>Parents are actively involved throughout the year through our Parent Advisory Council and volunteer opportunities, such as on helping teachers, planning events, and chaperoning field trips.</p> <p>A planning meeting is being held with teachers and administration prior to the larger meeting with all stakeholders. During this meeting we invited all families to come to a meeting to learn about LCFF and give their feedback on our goals for the eight state priorities. The meeting first started with an explanation of the new Local Control Funding Formula and how it differs from how schools were funded in the past. Attendees learned how the formula is executed and how the schools are going to be help accountable for the funds through the LCAP and the eight state priorities. Next, the meeting shifted to presenting KLAPs LCAP. Each goal was presented by: Identifying what state priority each goal was addressing, which students the goal was aimed towards and how we are measuring progress. This meeting took on March 21, 2014.</p>	<p>Through their volunteer work in the classroom our parents are familiar with the students needs and pull on this experience to make recommendations</p> <p>Parents and other attendees responded well to the LCAP meeting and they provided verbal feedback on our 8 goals. As each goal was presented parents provided real time feedback to the school leader.</p> <p>Additionally, attendees were asked to share ideas they had on how to improve the goal and achieve the goal.</p> <p>No changes to the LCAP were made as a result of the meeting.</p>

**Annual Update:**

Stakeholder engagement was organized in 3 parts: Educating, Learning and Engaging, and Revising. Stakeholders are continuously engaged about the progress of our school, however, the official LCAP meeting was one March \_\_\_\_\_, 2015 at \_\_\_\_\_ pm .

The first part, educating, focused on providing background and current information that supports stakeholders engagement and understanding of LCFF and the LCAP. Topics covered a general explanation of the LCFF funding formula and how that is linked to the LCAP, the 8 state priorities and what it means for students, parents, teachers, and our promise of supporting students to and through college. We will continue to provide education on the LCFF and LCAP as part of our engagement.

The second part, learning and engaging, focused on presenting 2014-15 goals and providing indicators to our progress for each one of our goals. During this time, we presented each goal, our progress towards that goal, and what we are currently doing to achieve our goals. Simultaneously, stakeholders were following along using an interactive feedback form where they could indicate how satisfied or dissatisfied they were with our goal and/or progress. Stakeholders were informed that we would use these feedback forms, and additional input to revise goals for 2015-16 as needed.

In order to expand on the educating done in the first part, we chose two goals to dive deep into with our stakeholders after all goals were review. We chose the goals around engagement: specifically improving student attendance and parental involvement at school. Stakeholders at the meeting were able to decide which focus group they wanted to participate in. Each group was grounded with the questions: what can we change or do differently to meet our goals and how will we know we have successfully achieved our goals. Each group was also provided with specific data on current engagement rates such as student attendance by grade level/homeroom and overall parent participation percentage by event.

**Annual Update:**

Breaking the LCAP engagement process down into sections helps with the understanding, pacing, and effectiveness of our engagement efforts.

Focusing on educating our stakeholders allows them to understand the LCFF/LCAP requirements and how they fit with our mission and vision, this sets a solid foundation for meaningful feedback.

As described, each goal was presented by identifying what state priority it was addressing, which students the goal was aimed towards and how we were measuring progress. Parents and other attendees responded well to the LCAP goals as evidenced by the written and verbal feedback on our goals. As each goal was presented parents provided real time feedback and also completed a survey form. The survey form asked attendees to indicate their feelings on a likert scale (listed below) regarding each of the state aligned goals.

- a) Strongly support the goal
- b) I support this goal
- c) I am neutral
- d) I do not support this goal
- e) I strongly oppose this goal

Additionally, attendees were asked to write in ideas they had on how to improve the goal and achieve the goal.

No major changes were made to the goals based on the following results from the survey:

(Insert Results here)

Next year we will continue to provide updates on all goals and then pick two additional goals to more intensely review. The goals picked will align with specific areas we would like to focus on in the upcoming year.

Lastly, revising, focused on pulling all data sources, feedback forms, input from stakeholders, progress and our overall educational program to revise goals for 2015-18.

In order to prepare for the LCAP engagement process, Principals from all KIPP LA schools met early in 2015 to discuss what stakeholder engagement would look like at each individual school and share best practices. This ensures consistent engagement for our parents that are part of other KIPP schools and also ensures we are imploring the best strategies.

Additionally, we have been keeping track of progress towards all LCAP goals for the 2014-15 school year and this information has been compiled into a easy to understand snapshot of progress in the form of a dashboard. This dashboard is periodically shared with stakeholders, including board members.

Our break out groups allowed us to discuss with stakeholders, in deeper detail, what our targets for for goals should be and how we can meet those targets.

Our meetings then focused on what services and actions needed to be highlighted, changed or added to ensure that we were able to meet our new goals.

By breaking down the goals/priorities two at a time, parents will have fully covered all of our goals/priorities in the time that they are with us. This will allow our stakeholders to have a broad understanding of all goals and over time, grow, in their expertise.

## Annual Update

**Annual Update Instructions:** For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

### Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?
