# California Department of Education <br> School Accountability Report Card <br> Reported Using Data from the 2015-16 School Year 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents. #### Abstract

About Our School

KIPP Los Angeles College Preparatory School (KIPP LA Prep) is a high-performing tuition-free public charter middle school located in Boyle Heights. We serve 493 students in grades five through eight.

KIPP LA Prep is part of the national KIPP (Knowledge Is Power Program) network of schools. We are operated by KIPP LA Schools, a charter school management organization.

KIPP LA Prep's mission is to prepare students with the academic skills, intellectual habits, and character traits that are necessary for success in high school, college, and the competitive world beyond. In pursuing this mission, we aim to serve our community as a whole by educating students who will make a difference in our community and the world.

KIPP LA Prep is a California Distinguished School and a recipient of the National Blue Ribbon Award and one of the top performing middle schools in Los Angeles Unified School District.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## School Facility Conditions and Planned Improvements

- KIPP LA Prep provides a safe and clean environment for students, staff, and volunteers. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms.
- A cleaning schedule is in place to ensure a clean, safe, and functional learning environment.
- The school site is in good condition. All systems are in proper working order and the facilities are well maintained.
- A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair request are completed efficiently and in the order in which they are received.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

| Mathematics (grades 3-8 and 11) | 66.0\% | 74.0\% | 25.0\% | 29.0\% | 34.0\% | 36.0\% |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

## Opportunities for Parental Involvement (School Year 2016-17)

KIPP LA Prep is committed to involving parents in their child's learning. Parents are encouraged to attend regular workshops, parent/teacher conferences, and family activity nights. Many parents help with daily activities, including helping serve breakfast and lunch, and packing snacks. Parents are also involved in planning and implementation of school activites such as fall festival, winter concert, talent show, cheerleading competitions, and spring concert. We also offer many opportunities for take-home volunteer opportunities. Annually we also engage our parents in the review and development of our schools' LCAP.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

## School Safety Plan (School Year 2016-17)

The safety of students and staff is a primary concern of KIPP LA Prep. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch and after school. To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed and includes monthly safety drills.

## Types of Services Funded (Fiscal Year 2015-16)

KIPP LA Prep offers an ASES funded afterschool program to assist and support our students. Our program provides literacy and enrichment activities for all students, grades 5th -8th. Every student in our program participates in a daily literacy and enrichment component. Our ASES programs provide tutoring and homework help in the core areas of reading, language arts, mathematics, and science. Students use software to make sure they are reading and completing math at their individual levels. Our educational enrichment programs align with the school's academic program and include, but are not limited to activities such as football and cheerleading, youth development strategies like performing arts, music, and dance. Other enrichment activities are implemented based on the students' needs and interests.

## Professional Development

Regular professional development takes place on a monthly basis, with annual workshops and seminars attended by all teachers. In addition, teachers visit schools that exemplify excellence, and participate in team-building professional development opportunities continuously throughout the year. Teachers have the opportunity to participate in specilaized professional development tailored to their individual professional needs. Teachers are supported through inclass observations, teacher-administrator meetings, and student performance data reporting.
