LEA: KIPP Raíces Academy Contact (Name, Title, Email, Phone Number): Chelsea Zegarski, School Leader, czegarski@kippla.org, (323) 780-3900 LCAP Year: 2016-19

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>Parents are actively involved throughout the year through our Parent Advisory Council and volunteer opportunities, such as on helping teachers, planning events, and chaperoning field trips.</p> <p>A planning meeting is being held with teachers and administration prior to the larger meeting with all stakeholders. For this meeting, we invited all families to come to a meeting to learn about LCFF and give their feedback on our goals for the eight state priorities. The meeting first started with an explanation of the</p>	<p>Through their continuous volunteer work in the classroom our parents are familiar with the students needs and pulled on this experience to make the recommendation that:</p> <p>Parents and other attendees responded well to the LCAP meeting and they provided written and verbal feedback on our 8 goals. As each goal was presented parents provided real time feedback to the school leader.</p>

new Local Control Funding Formula and how it differs from how schools were funded in the past. Attendees learned how the formula is executed and how the schools are going to be help accountable for the funds through the LCAP and the eight state priorities. Next, the meeting shifted to presenting KRAs LCAP. Each goal was presented by identifying what state priority it was addressing, which students the goal was aimed towards and how we were measuring progress.

Annual Update:

Stakeholder engagement was organized in 3 parts: Educating, Learning and Engaging, and Revising. Stakeholders are continuously engaged about the progress of our school, however, the official LCAP meeting was one February 19, 2016.

The first part, educating, focused on providing background and current information that supports stakeholders engagement and understanding of LCFF and the LCAP. Topics covered a general explanation of the LCFF funding formula and how that is linked to the LCAP, the 8 state priorities and what it means for students, parents, teachers, and our promise of supporting students to and through college. We will continue to provide education on the LCFF and LCAP as part of our engagement.

The second part, learning and engaging, focused on presenting 2015-16 goals and providing indicators to our progress for each one of our goals. During this time, we presented each goal, our progress towards that goal, and what we are currently doing to achieve our goals. Simultaneously, stakeholders were following along using an interactive feedback form where they could indicate how satisfied or dissatisfied they were with our goal and/or progress. Stakeholders were informed that we would use these feedback forms, and additional input to revise goals for 2016-17 as needed. We also described our new goal structure of condensing the former 8 goals into 3 goals for 2016-17.

Annual Update:

Breaking the LCAP engagement process down into sections helps with the understanding, pacing, and effectiveness of our engagement efforts.

Focusing on educating our stakeholders allows them to understand the LCFF/LCAP requirements and how they fit with our mission and vision, this sets a solid foundation for meaningful feedback.

As described, each goal was presented by identifying what state priority it was addressing, which students the goal was aimed towards and how we were measuring progress. Parents and other attendees responded well to the LCAP goals as evidenced by the written and verbal feedback on our goals. As each goal was presented parents provided real time feedback and also completed a survey form. The survey form asked attendees to indicate their feelings on a likert scale (listed below) regarding each of the state aligned goals.

- 5 Very much agree
- 4 Between Very much agree and Neutral
- 3 Neutral

In order to expand on the educating done in the first part, we chose two goals to dive deep into with our stakeholders after all goals were review. We chose the goals around engagement: specifically improving student attendance and parental involvement at school. Stakeholders at the meeting were able to decide which focus group they wanted to participate in. Each group was grounded with the questions: what can we change or do differently to meet our goals and how will we know we have successfully achieved our goals. Each group was also provided with specific data on current engagement rates such as student attendance by grade level/homeroom and overall parent participation percentage by event.

Next year we will continue to provide updates on all goals and then pick two additional goals to more intensely review. The goals picked will align with specific areas we would like to focus on in the upcoming year.

Lastly, revising, focused on pulling all data sources, feedback forms, input from stakeholders, progress and our overall educational program to revise goals for 2016-19.

In order to prepare for the LCAP engagement process, Principals from all KIPP LA schools met early in 2016 to discuss what stakeholder engagement would look like at each individual school and share best practices. This ensures consistent engagement for our parents that are part of other KIPP schools and also ensures we are imploring the best strategies.

2 Between Neutral and Very much disagree

1 Very much disagree

Additionally, attendees were asked to write in ideas they had on how to improve the goal and achieve the goal as well as about the process.

Our break out groups allowed us to discuss with stakeholders, in deeper detail, what our targets for for goals should be and how we can meet those targets.

Our meetings then focused on what services and actions needed to be highlighted, changed or added to ensure that we were able to meet our new goals.

By breaking down the goals/priorities two at a time, parents will have fully covered all of our goals/priorities in the time that they are with us. This will allow our stakeholders to have a broad understanding of all goals and over time, grow, in their expertise.

Additionally, we have been keeping track of progress towards all LCAP goals for the 2015-16 school year and this information has been compiled into a easy to understand snapshot of progress in the form of a dashboard. This dashboard is periodically shared with stakeholders, including board members.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

We also provide additional academic support through our first few weeks of school, as our students, especially those new to our school are adjusting to our school.

Teachers provide small group instruction based on student need and will use data such as interim assessments to tailor and guide instruction.

In addition, we will conduct extensive data analysis by pulling reports on Illuminate, Tableau, and Kastle (KIPPs internal data analysis platform). For example, teachers will use previous SBAC & MAP scores to create targeted instruction for each student

1b: Annual Progress in English language Proficiency (AMAO1)

All CELDT data is shared with parents and teachers. This helps teachers create intervention and differentiation plans. ELLs will receive small group instructional support to support their language development. Plans may include additional needs for manipulative, visuals, realia, or excursions. As well as technology needs such as projectors, iPads, and a document camera.

Teachers will use data such as interim assessments to tailor and guide instruction. English Language students can receive small group instructional support to support their language development.

- -----

1c: Percentage of EL students who reclassify as RFEP

Teachers will use data such as interim assessments to tailor and guide instruction. This helps teachers create intervention and differentiation plans. ELLs will receive small group instructional support to support their language development.

1d: Number students meeting MAP growth goals

We will ensure high-quality instruction and targeted support. Teachers will use previous MAP scores to create targeted instruction for each student.

Students will know their own MAP growth targets and teachers will track growth from fall to winter to spring.

Teacher Professional Development

PD and on-going coaching for teachers using KFET and common core training. Teachers attend professional development given by the Reading and Writing Project at Columbia University's Teachers College yearly.

Teachers will participate in professional development throughout the year. Teachers have the opportunity to attend trainings that are available to the whole KIPP LA region and at the school level. Trainings will strengthen our teachers understanding of our instruction and in the Common Core. Trainings will include and cover topics on how to best support and strategies for English language learners.

We will track attendance records for all scheduled professional development provided both internally at the school site, regionally through KIPP LA, at 3rd party sessions, or through the national KIPP network.

All teachers at KIPP LA participate in 26 days of professional development to ensure they are well trained and versed in a number of different areas. Although these are offered specifically for the school sites, KIPP LA provides supplies, spaces, curriculum for these trainings.

Administration and coaching Professional Development

KIPP LA provides monetary support in the form of fees and travel for teacher leaders and principals to attend KSLP for professional development training.

Electives and Enrichments

Our school budget supports the hiring of needed teachers to offer elective and a broad course of study to all students. We also engage in programmatic planning and scheduling. We will insure our schedule allows

enough time for all students to engage in listed courses.

All students have access to electives which provide opportunities that students would not likely have in courses such as engineering and coding, robotics, computer science, art, PE, and elective languages. This includes all supplies, curriculum, software needed to complete these electives.

3e: Ensure that our facility is at "good repair" or better as measured by SARC

For the 2016-16 school year, we will be adding an additional front office space to accommodate our school and families. This will incur construction, furniture, and other needed costs.

We ensure that all metrics of the SARC pertaining to facility quality are met by monitoring our facility internally through regional oversight visits. These visits rely on using operational and custodial staff.

KIPP LA also contracts several different companies to ensure all school space is safe, in good repair and aesthetically appealing. This includes landscaping, janitorial companies, regular pest control as well as day to day maintenance.

Within KIPP LA there are regional cohorts for departments such as Business Operations that also attend regular professional development trainings that require separate supplies, materials, and meeting areas that focus on running operations at the different school sites.

comprehensive interview process. The school leader is heavily involved in every step of the way. We also conduct a comprehensive search to ensure that we hire to meet the needs of our school and students. At times, this means, that we have candidates and new hires that come to our school from out of state. Additionally, KIPP LA has hired specialists to help support teachers in gaining, transferring and renewing credentials throughout their tenure with KIPP LA. We have partnered with LA County of Riverside and the University in order to supplement our own efforts in ensuring teachers are taking the proper exams as well as tracking and helping with fees.

Teacher Retention and Support

Once our teachers are hired we work with them to maintain and obtain proper documentation. This can look like support them with applying for reciprocity of out of state credentials, or help clearing preliminary CA credentials. We know that teacher retention is an important factor in student achievement.

In order to retain high quality and credentialed teachers, KIPP LA will implement salary increases in the form of bonuses for the 16 -17 school year.

PD and on-going coaching for teachers using KFET and common core training. Teachers attend professional development given by the Reading and Writing Project at Columbia University's Teachers College yearly.

Teachers will participate in professional development throughout the year. Teachers have the opportunity to attend trainings that are available to the whole KIPP LA region and at the school level. Trainings will strengthen our teachers understanding of our instruction and in the Common Core. Trainings will include and cover topics on how to best support and strategies for English language learners.

We will track attendance records for all scheduled professional development provided both internally at the school site, regionally through KIPP LA, at 3rd party sessions, or through the national KIPP network.

All teachers at KIPP LA participate in 26 days of professional development to ensure they are well trained and versed in a number of different areas. Although these are offered specifically for the school sites, KIPP LA provides supplies, spaces, curriculum for these trainings.

Administration and coaching Professional Development

KIPP LA provides monetary support in the form of fees and travel for teacher leaders and principals to attend KSLP for professional development training.

Electives and Enrichments

Our school budget supports the hiring of needed teachers to offer elective and a broad course of study to all students. We also engage in programmatic planning and scheduling. We will insure our schedule allows enough time for all students to engage in listed courses.

<p>All students have access to electives which provide opportunities that students would not likely have in courses such as engineering and coding, robotics, computer science, art, PE, and elective languages. Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ <u>\$630,239</u>
<p>In KIPP's model, Certified Regular Teachers receive additional pay for extended school hours to increase instruction in EL , Math and other subjects to close school wide achievement gap . Services are increased in the area of intervention by adding additional intervention teacher to increase charter-wide services primarily for unduplicated students but from which other students benefit as well. Services are improved by continues and numerous Professional Development Services that KIPP designs internally in addition to hiring consultants. Services were also increased in areas of End of the year Field Lesson to improve attendance and academic achievement. Management and Admin services increased by additional staff in regional office to create academic and operational support. This helped to increase efficiency in school management and operations. This also increased School Leaders and Teachers focus on academics. School invests in technology to increase support for students, teachers and admin which improves overall services for all students and primarily for unduplicated students. Janitorial services improved by providing more services for schools.</p>	

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
